Reasons for allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to teach or suggest individually or in combination a method for writing clear data to a frame buffer of a graphics display device, wherein the method further comprising the uniquely distinct features of: " determining a region of memory and subdividing said memory region into a plurality of sub-regions; and writing said clear data concurrently to each of said plurality of sub-regions" (as per claims 15, 20, 21 and 24). The above limitations of the present claims invention have not found to be anticipated, suggested or made obvious by the prior art of record, either singularly or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
